

PROJECT DESIGN PHASE-II (DATA FLOW DIAGRAMS)

Date	17 October 2022
Team ID	PNT2022TMID18386
Project Name	Containment Zone Altering Application
Maximum Marks	4 Marks

Data Flow Diagrams:

A Data Flow Diagram (DFD) is a traditional visual representation of the information flows within a system. A neat and clear DFD can depict the right amount of the system requirement graphically. It shows how data enters and leaves the system, what changes the information, and where data is stored.
