

PROJECT DESIGN PHASE-I (SOLUTION ARCHITECTURE)

Date	17th October 2022
Team ID	PNT2022TMID18386
Project Name	Containment Zone Alerting Application
Maximum Marks	4 Marks

Solution Architecture:

- ❖ Solution architecture is the detailed and structured description of the features, process and behaviour of the solution. It acts as the base of the solution to define, deliver, manage and operate the development process of the solution.
- ❖ It identifies the alternatives of the solutions and its components. It is a basic architecture of the offered solution.
- ❖ The solution architect prepares with the help of the consultants, project managers and the developers.
